- [Eurostat](#): European population data

Media, culture and sport

- [BARB](#) (Broadcasters' Audience Research Board): TV viewing figures
- [Ofcom](#): Communications and media usage
- [Sport England](#) / [UK Sport](#): Participation and funding data
- [FIFA](#) / [UEFA](#) / [Premier League](#): Football statistics

- [Department for Culture, Media, and Sport](#): Employment, earnings, participation surveys, income, sponsorships, and social engagement

Environment and energy

- [Met Office](#): Weather and climate data
- [Department for Energy Security and Net Zero \(DESNZ\)](#): Energy usage, renewable trends
- [Carbon Trust](#): Sustainability data and insights
- [NASA / NOAA](#): Climate and environmental data
- [UK energy \(GOV.UK\)](#): UK energy trends over time
- [UN energy](#): Global energy data
- [International Energy Agency](#): Global energy data
- [Energy Institute](#): Global energy data
- [GOV.UK environment](#): Links to various datasets on environmental quality (carbon footprint, waste, recycling, water quality and abstraction, air quality and emissions), natural environment (biodiversity and access to nature), cross-cutting (sustainable development, flooding, and coastal erosion)
- [Environment Agency](#): Waterways, flood warnings and flood risk mapping, water abstraction, environmental permits, fishing and rod licensing, coastal erosion
- [Natural England](#): Rights of way access, land management, nature reserves, recreational spaces, protected species and sites, wildlife and habitat conservation
- [DEFRA](#): Food, pets, funding for farmers, flood risk, agriculture, disease

Consumer and retail

- [British Retail Consortium \(BRC\)](#): Retail sales trends
- [Kantar / Nielsen](#) (paid): Consumer spending, FMCG trends
- [Which?](#): Product testing and consumer insights
- [ONS Retail Sales Index](#): Official UK retail performance
- [PwC](#): Retail and consumer reports
- [McKinsey](#): Consumer and market research from a consultancy level

Technology and digital

- [Ofcom](#): internet usage and digital habits
- [StatCounter](#) / [SimilarWeb](#): Website and digital market share
- [Internet World Stats](#): Internet penetration and global usage
- [Crunchbase](#) (freemium): Startups and tech investment
- [Department for Science, Innovation and Technology](#): Bioscience, health technology, cybersecurity, digital economy, UK business data

Housing, property and planning

- [Land Registry](#): Official house price index and property transaction data
- [Zoopla](#): Housing market trends, rental reports
- [Savills](#): Real estate and housing market insight
- [Knight Frank](#): Housing market and commercial property insight
- [Homes England](#) – supply of homes
- [ONS](#): Private rent, house prices, affordability index, mortgage repayments, first-time buyer mortgages, dwelling stock by tenure, house price to earnings ratio
- [Land registry](#): UK house price index

Transport and travel

- [Department for Transport](#): Road safety, usage, and traffic stats
- [Civil Aviation Authority](#): Passenger and airline data
- [International Air Transport Association](#) (IATA): Global air travel statistics
- [VisitBritain](#): Inbound tourism data
- [UNWTO](#): International travel and tourism trends

Crime, law, and justice

- [Home Office Crime Statistics](#): UK official crime and policing data
- [Ministry of Justice](#): Courts, prisons, and legal system data

- [ONS Crime Survey](#): Trends in crime and public perceptions.
- [British Transport Police](#): Rail-related crime and safety data
- [Metropolitan Police](#): London crime statistics and policing reports (*same available for each police force*)
- [Police](#): Average crime rates in your area

Energy and utilities

- [National Grid ESO](#): Live and historic energy supply data
- [Ofgem](#): Energy market statistics and regulation
- [BP Statistical Review of World Energy](#): Global energy production and usage
- [Department for Energy Security and Net Zero](#): Domestic, industrial, international energy prices, road fuel prices
- [International Energy Agency](#): Global end-use price data over time

Food and agriculture

- [DEFRA](#): Food, farming, and rural affairs data
- [FAO](#) (Food and Agriculture Organization of the UN): Global food production and trade
- [Agriculture and Horticulture Development Board](#) (AHDB): Agricultural markets and consumer trends

Technology, AI, and the digital economy

- [ONS Digital Economy Data](#): Official UK digital sector data
- [AI Index](#) (Stanford): Global annual report on AI adoption and research
- [Department for Science, Innovation, and Technology](#): Public attitudes

Specialist company insights

- [Google Trends](#): Search interest and trends
- [Think with Google](#): Consumer insights and marketing research
- [Meta Audience Insights](#): Demographic and interest-level data

- [Twitter/X](#) (via API or reports): Social media insights
- [Spotify](#): Consumer behaviour through audio streaming
- [Adobe](#): eCommerce, digital, and creative industry data
- [Reddit](#): Sentiment analysis of public opinion
- [Muckrack](#): Sentiment analysis of news articles, backlink analysis
